SISTER ACT

Don't miss the talented **Furuya sisters** as they perform music by Wolfgang Mozart, Fritz Kreisler and Felix Mendelssohn. The three sisters—Mimi, Sakiko and Harumi—are graduates of the Juilliard School and prize-winning performers, respectively, on the cello, piano and violin. Having been child prodigies, they've played in some of the world's top concert halls. They're here not only to showcase their talent, but also to express their belief that the soothing nature of classical music offers psychological health benefits, making it a boon for the soul as well as the ears. Check them out, and purchase concert tickets, at **furuya sisters.com**. (Concerts are Nov. 8 in Hartsdale, Nov. 21 in Nyack and Nov. 22 in Yonkers.)
